A trained teacher of the K.P. Kachcheri's qualifications is not required in the Training College. It is recommended his transfer to the deaf and dumb school at Jaffna as desired by him and I can see no objection to his being given the higher grade of Rs 35-12, if Govt are pleased to do so in consideration of his proficiency in Tamil. In the deaf and dumb school he may continue to give instruction in Tamil to private students also as at present in the Training College

His name therefore does not find a place in the general reorganization proposals submitted with my note No. 2990 dated the 10th ~~September~~ inst. I should therefore be obliged if you would kindly obtain H.H's early orders on these proposals.

I shall, however, consult the I.G. of Education and ~~see what can be done~~ ~~for~~ Mr. Krishna Rao. as to whether any further consideration is due to the claims put forward by

My dear Sir,

20 In continuation of our D.O letter No. $\frac{203}{G.2}$ of the 27th September 1914, I write to state that the claims of Mr H.P. Krishna Rao, Music master of the Mysore Training College, ~~have~~ have been considered in detail by the Office. The first member is of opinion that there is not sufficient reason to give him, any special increment just now.

If H.H is pleased to show any special consideration for his worth & talent for music, I would suggest for H.H's gracious consideration that Rs. Rao be given a personal allowance of Rs 25 per month.

Yours sincerely.

SIR,

I have the honour to submit herewith a petition from Mr. H.P. Krishna Rao, B.A., Music Master, Normal School, Mysore praying that he may be promoted to the grade 75-10-125.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General.

TNR.

The Secretary to the Govt.of Mysore

Department of Agriculture and Education

B a n g a l o r e

Through the Inspector General of Education in Mysore)

---

Sir,

I respectfully beg to submit that 6 years ago I was transferred by Government in consideration of my profiency in Music from the Registration Department to the Education Department in the 50 to 100 grade.I have drawn 2 increments and the 3rd is due from the 1st of the current month. Though designated as Music Master, I have been teaching Mathematics to the Upper Secondary Classes, Law to the Agricultural Training Class and Music to the 2 training Classes and I have been giving every satisfaction to my Official superiors in every branch of work entrusted to me.

I accepted the transfer 6 years ago as I was sure of drawing Rs210 at the time of my retirement 15 years hence. But in the raising of the Normal School into a Training College, not only is the prospect blighted for ever but my appointement(there is only one Graduate Music Master in the Province) as Music Master has been removed from the Provincial Civil List, reduced in Status and put in the grade of 50 to 70 in contravention of Government's original order, while in the reorganisation of the Department I am ~~informed~~ sure that every Officer in the 50 to 100 grade has been placed in the 75 to 125 grade.

I beg to submit that I possess qualifications far superior to those of many in my grade. I am a full B.A. in Mathematics,Sanskrit and Englihh. I have passed the Revenue, Criminal and Registration Examinations. My proficiency in Music is admitted in England and India and I have received presentations from

1. His Highness the Maharaja of Mysore.
2. His Highness the Raja of Panna
3. Her Highness the Begum of Jiggera
4. His Excellency the Prime Minister of Hyderabad.
5. Gayan Samajas from Bombay to Cape Comorin.

It would be a great injustice to the Art itself of Music that being

3

summoned from one Department , I should be subjected to degradation in an other. While the fact of my being a graduate for the sake of promotion is ignored, it is taken advantage of in new work being assigned in the new Scheme.

As Sub Registrar of Chitaldrug, I had acted as Taluk Sheristadar 10 years ago and I would have risen high in the Revenue or Judicial Department had I not been attracted by the 100 to 210 grade. The accompanying certificates testify to my high worth and during the past 6 years' service put in the Educational service, my good work has been reported upon to the Inspector General of Education and the Government no less than half a dozen times, twice ,for instance, in recommending for the confirmation of my appointment and twice again in getting me my increments.

I therefore humbly pray that Government may,in consideration of my long service of 17 years and varied qualifications, be pleased to keep me in the list of graded officers where I was before the reorganisation and give me the promotion shared by my colleagues in the list, so that there may be no supercession.

I beg to remain

Sir,

Your most obedient servant,

Extracts from the Service Register of Mr.H.P.Krishna Rao B.A.

Mr. Krishna Rao is a graduate of the Madras University. He was Sub-Registrar of Hassan for about 5 years. He worked hard and earned a very good name. Owing to his exertion, the Sub Registry Office was raised to the second grade in September 1901 . He was strongly recommended for promotion to the second grade as a special case, but being a junior, did not get it. He is young active and intelligent and deserves every encouragement.
